7/21 PLANNING APPLICATION

21/3003/FUL	Agricultural Building West of Moor Lane Poltimore	Replacement Agricultural Building of Dutch Barn
-------------	---	---

Comments

Poltimore Parish Council are concerned that this application will once again increase the volume of commercial traffic on our already overcrowded narrow roads and lanes. The Council note that the statement implies that to access the site is by Hatchland Road and Moor Lane. From the site there is no vehicle access to Hatchland Road. There is a public footpath. So, the traffic from the site will travel along Moor Lane to the already busy Poltimore Road onto the B3181 or into the Village. Therefore, the Council do not support this application.

21/3062/FUL	Poltimore Barton Poltimore EX4 0BQ	Erection of a Menage
-------------	---------------------------------------	----------------------

Comments

If this development is going to result in additional traffic, the Council already find this unacceptable. If this facility is an additional commercial enterprise, then additional horse boxes and trailers on an already over-crowded and narrow section of roadway between Poltimore and the B3181 must be expected to follow. Therefore, the Council do not support this application
