91/23 CORRESPONDENCE

1. Air Ambulance for Poltimore. Cllr J Feeseey circulated information with regard to Devon Ambulance Community Landing Sites. A Landing site could be green, sports pitch, playing field, or farmer's field. Needs to be a flat area 55m x 55m to provide maximum operational benefit and safety, have pedestrian access on/off the site and vehicle parking nearby. Whilst tall trees or powerlines within the site maybe a hazard, if they are on the periphery they may not cause a problem. The Council are keen to find a site, and agreed to investigate possible areas, seeking help from the community.

3. Planning District Heating Networks. No further action.
